Reckless homicide

Hartog guilty in teacher's death

by GLORIA DAVIS

A 12-man Lake County jury found Kenneth Hartog, 20, Trevor, guilty of reckless homicide in the death of Anna Helene Kugler, 24, last fall.

Hartog's trial began on Monday, March 1 and the case went to the jury at 5:40 p.m. on Tuesday, March 2.

The jury was out for three hours before returning with the guilty verdict.

According to the prosecutors, Assistant State's Atty. Larry Johnson and Daniel

Field, the additional charges against Hartog of driving while intoxicated and possession of cannabis were dismissed because they were lesser included offenses.

The \$5,000 bond that Hartog had posted was revoked and raised to \$10,000 and he was remanded to the Lake County jail. He posted bond and was released pending sentencing in front of Judge William Block, on Thursday, April 8.

The maximum sentence Hartog could receive is three years in the state peniten-

tiary and minimum sentence is probation.

Hartog was driving the truck that struck and killed Kugler, an Antioch High School science and math teacher, as she was jogging on North Ave. in the dark, at 6:14 a.m. on Friday, Oct. 23.

Kugler was also a track coach at the high school and was a familiar sight to early morning travelers as she jogged through Antioch's streets.

It was three hours before Kugler was identified since she had no identification on

her body. She had only a key pinned to her jogging suit, but was wearing a class ring from Marengo High School, which led to her identification.

Hartog, who stated during the trial that he was not drunk but tired and panicked when Kugler's silhouette suddenly appeared in front of him, had admitted to Antioch police immediately after the accident that he had been drinking and smoking marijuana a short time before the incident and subsequently failed a breathalyzer test.

Haley trial postponed to June 4-7

by GLORIA DAVIS

The hearing to determine if both the prosecution and the defense are ready to go to trial on the charges of marijuana trafficking filed against William Haley, 41, Antioch and James T. Amoroso, McHenry, has been rescheduled for June 4.

The trial was originally set for March 1 in the West Palm Beach County Felony Court before Judge Edward Rodgers.

According to the circuit court files, if both parties are ready, the trial will take place on June 7 before Judge Rodgers.

Court records show that Haley and his attorney were not present for the calendar call on March 1, so the court date was rescheduled.

Both men were charged after being implicated by Robert Hoffman, Lake Villa and Woodrow Webster, Colorado, who were arrested last spring at a West Palm Beach airport in connection with the confiscation of a plane carrying almost \$500,000 worth of marijuana.

Hoffman and Webster were charged with drug trafficking, tried, convicted and released on probation after implicating Haley, who was a pilot for Zeigler, as the person who hired them to transport the marijuana from Columbia, South America.

The prosecutor in the case will be West Palm Beach Asst. States Atty. Maurice Holl.

This was the second time that Haley was implicated in incidents involving drugs being flown from South America to Florida.

He was arrested in Puerto Rico in 1980 in connection with the smuggling of \$3.5 million in marijuana and methaqualudes, pled not guilty and was subsequently released.

Zeigler's plane was again confiscated by customs officials at the Ft. Meyers Airport in Florida, on Jan. 31, when marijuana residue was found on board.

Zeigler claimed that the plane had not been professionally cleaned after its confiscation in April and the marijuana seeds must have

been the residue left from that shipment. According to Zeigler's attorney, James Reilly, he is in the process of applying for the

return of the plane. Reilly said that there are no charges of any kind filed against Zeigler anywhere in the United States.

'Family A' Faire'

On Sunday, March 14, St. Peter Parish will hold the fourth annual "Family A' Faire" day from 1 to 5 p.m., in St. Peter Social Center. This event is sponsored by the seventh grade students and parents.

Every adult and child is welcome. Those who have participated in the past know how much fun and enjoyment can be had on this Sunday afternoon.

This year there will be some exciting new events. There will be athletic events, games, attractions to visit, a few pre-planned variety specials, prizes and, of course, food and refreshments will be available throughout the day.

A donation of \$1 for adults and 50 cents per child, up to a maximum of \$4 per family, will be accepted at the door.

Grandparent to toddler, neighbors and friends are needed to make the day complete.

Cotillion plans rolling

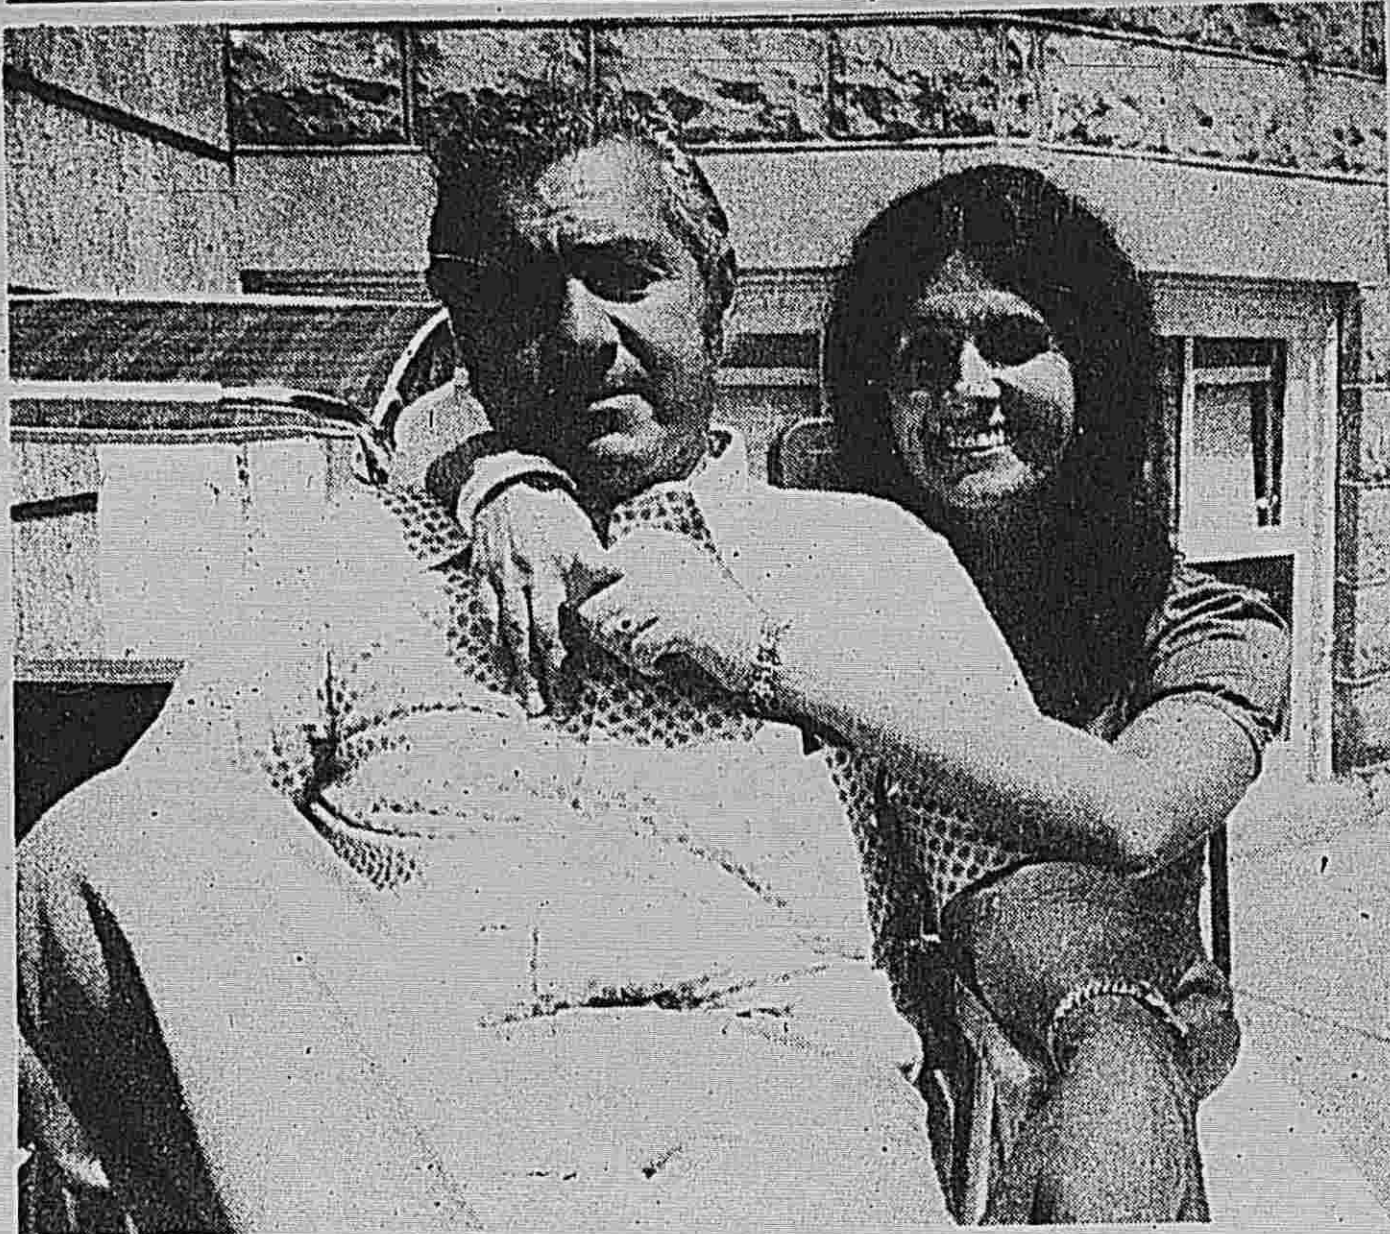

Dorothy Teister, chairman of the 17th Annual Mental Health Cotillion, announced the cotillion will be held May 1, at the Abbey on Lake Geneva.

Tickets will be available from members and at the local financial institutions.

The handicapped children of Grove School, the young adults at Lambs Farm and the retarded adults at the Riverside Foundation in Lincolnshire will all benefit from this cotillion.

The proceeds from the Thrift Shop, at 921 Main St. in Antioch, also go to the above.

The Thrift Shop offers a large selection of women's, men's and children's clothes and shoes.

1982's VIP AND MRS. — August Costoff shown in a rare moment of relaxation with his wife "K." Costoff, Antioch's 1982 VIP, is more often seen rushing from one community project to another. He will be honored at an awards dance at St. Peter's Social Center, on Saturday, March 20. Tickets are available at Antioch's financial institutions or at St. Peter's. Cocktails, snacks, late buffet and dancing to music of Manhattan Skyline will follow awards ceremony.

Volunteers help Teisters VIP chairmen

Chaircouple Nick and Dorothy Teister have been busy coordinating plans for the 14th Annual VIP Dance, to be held on March 20, in St. Peter's Social Center.

Helping the Teisters in the preparations are many very capable people from the community who all extend their very best wishes to the 1982 VIP recipient, Gus Costoff.

Working hard to make this a most memorable evening for Gus are the following chairpeople: Master of Ceremonies, Laddie Korocek; introduction of VIP, Bill Brook; ad book, Dennis Johnson; tickets and patron ads, Betty Letkey;

publicity, Debbie Thelen; decorations, Linda Pedersen; bar, Paul Maginol and Dave Bushing; caterer, Jean Benes; table decorations and popcorn, Jan O'Grady and Mary Shore; Chief Engineer, Fred Schaff; and set-up and clean-up, Bob O'Grady, Jim Shore and Russ Werba.

Also joining in the festivities will be the moderators of the dance, Father Lawrence Hanley and Father Francis Kub, both of St. Peter Church; and Sr. Mary Roche, O.P., principal of St. Peter School who will serve as hostess for the evening.

Plan to attend this gala

event on Saturday, March 20. Beginning at 7:30 p.m. with cocktails, the dance will feature music by the Manhattan Skyline from 8:30 p.m. until 1 a.m.

A special VIP Award Ceremony in honor of Gus Costoff's many years of dedication to St. Peter's Parish and the Antioch community will begin at 9:30 p.m. and a "late nite" snack of hot beef sandwiches will be served at 11:30 p.m.

Tickets, at \$7.50 per person, are available at St. Peter Rectory and the three Antioch financial institutions. For information call the rectory at (312) 395-0274 for reservations.

Zoning board approves 90-unit senior project

by GLORIA DAVIS

On Wednesday, March 3, the Antioch Zoning Board of Appeals (AZBA) approved the preliminary plans of the \$4.5 million, section 8, 90 unit senior citizen housing project presented by Don Samuelson, developer of a similar project, Cedar Village, in Lake Villa.

The recommendation of the ABZA is expected to go in front of the Antioch Village Board at the next regular meeting on Monday, March 15.

If the village gives Samuelson the green light, as predicted, the next step will be to get finalization of the preliminarily approved funding from the Illinois Dept. of Housing Administration (IDHA).

IDA's previous approval was contingent on zoning and village approval.

Samuelson said that he hopes to have some technicalities taken care of by June 1, which he considers a good kick-off date for the project.

He added that September or October would be the absolute final starting dates, but said that he sees no possibility, at the present time, for the ground-breaking to be held-off until then.

Completion of the project is targeted at April or May of 1983, if it is started this June.

According to Samuelson, application for rentals will be taken in May or June and, because of expected oversubscription, he urges those interested in leasing any of the units to keep in touch with the project's progress through the village hall.

Dump expansion alarms concerned citizens

Antioch's Coalition of Concerned Citizens, (CCC), in their efforts to prevent the expansion of the village's present garbage dump, reviewed some alarming facts about the dangerous problems experienced by similar dumpsites.

One study revealed that a dump in southwestern Illinois was closed in 1981 by court order when it was proven that toxic compounds had leaked from the site in three and one-half years when Environmental Protection Agency scientists (EPA) and dump owner experts claimed that such leakage would take 500 or more years.

Another study revealed a Joliet community's problem with a "sickening stench" coming from the local gar-

bage dump, and hot water in residents' homes that smelled so bad that residents petitioned the EPA to sue the dump owners, Waste Management Inc.

CCC states that these examples of dump site problems are only two of many in Illinois alone. A group spokesman stressed that CCC is reviewing these facts to highlight to village trustees and all village residents that even the best planned and "safest" dump site can pose serious threats to drinking water, air quality and possibly other systems basic to life itself.

Already having hundreds of signatures on hand of area residents opposed to the dump expansion, CCC states that its next project will in-

volve a citizens' letter writing campaign to elected officials of the village, county, and state asking for help in preventing what most citizens feel could be a tragic expansion of Antioch's dump site.

CCC members will be distributing a list of all area elected officials to every village household.

A CCC spokesman stated that their efforts have begun to reach citizens outside the village limits thanks to the efforts of some Antioch Township residents who also are vehemently opposed to the dump expansion.

CCC is urging all citizens to write their elected officials and state their fears and concerns now.

Bi-State bands rehearse for grade school concert

The third annual band festival sponsored by the Antioch Grade School Band Parents Assn. will be held Tuesday, March 16, at the Antioch High School.

The program will begin at 7:30 p.m. and will feature a massed band of nearly 400 musicians coming from seven different nearby grade schools.

They will include: Salem Grade School, Salem; Lakewood School, Twin Lakes; Ran-

dall School, Randall Township; Faith Lutheran School, Antioch; Emmons Grade School, Antioch; Grass Lake School, Antioch; and Antioch Upper Grade School.

The students will rehearse all afternoon under the direction of Dr. Michael Leckrone, guest conductor from the University of Wisconsin-Madison.

The evening concert will include many well-known songs that will be enjoyed by all.

Cop capability to double as network starts operating

by GLORIA DAVIS

It is very possible that by late Monday, March 8, every single policeman in Antioch, Lindenhurst, Lake Villa, Fox Lake and Grayslake will have the capability of instant communication with each other if necessary, because the Northwest Police Network will be operable.

According to Antioch Police Chief Chuck Miller, chairman of the network's advisory board, the radio consultants, Sachs and Freeman, Northbrook, have given approval that the system meets the specifications they laid-out, and on Monday, March 8, Miller and the other four police chiefs will hand out the personal portable radios to their men.

Miller expects Antioch's system to go into immediate operation.

The five municipality network, financed by federal grant funds, will enable law enforcement officers in these areas to be constantly in touch with their own dispatchers,

squad cars or each other even in the field; no matter where they are during their tour of duty.

"This will revolutionize the effectiveness of the police and will also double our law enforcement capability," said Miller.

After the network is in operation, the advisory board will see to the maintenance of the towers and the equipment, with each municipality sharing any maintenance costs after the warranty period is over.

FISHING LESSONS

The University of Illinois Cooperative Extension Service has scheduled a series of lessons on fishing to be held on four Wednesday evenings in March and April from 7-9 p.m., in the Extension Auditorium, which is located 1/4 mile north of Rtes. 120 and 45, in Grayslake. Please call (312) 223-8627 to enroll for part or all of the sessions.

APPOINTED

Gov. James R. Thompson announced the appointment of James Skilbeck as special assistant to the governor.

GOP endorses candidates

The Antioch Republican Club, at their February 17 meeting, endorsed the following candidates for the March 16 primary election, according to its president, William B. Georgeson: Representative in Congress, Philip M. Crane; Governor, James R. Thompson; Lt. Governor, George Ryan; Secretary of State, Jim Edgar; Attorney General, Tyrone Fahner; Comptroller, Cal Skinner, Jr.; Treasurer, W. Robert Blair; State Senator, 31st District, Adeline Geo-Karis; Representative in the General Assembly, James Olson; District 62, State Central Committeeman, Albert M. Jourdan, Jr.; Lake Coun-

ty Clerk, Harry Thomas; Lake County Sheriff, Robert H. "Mickey" Babcox; Lake County Regional Supt. of Schools, William "Bill" Thompson; Lake County Treasurer, Jack "Red" Anderson; and County Board, District 4, Jim Fields, Donna-Mae Nix Litwiler, Ray Edwards and Joseph O. Tobolik.

In separate action, Antioch Central Republican Precinct Committeemen endorsed all of the same candidates with an exception for their District 4 representation. The Committeemen endorsed Ray Edwards, Jim Fields and Joseph Tobolik.

On Saturday, March 6, the club will host a "Meet-the-

Candidate Coffee" at the Antioch Action Center on North Ave., Antioch.

Free coffee, rolls and an opportunity to meet and greet the local candidates will be available beginning at 9 a.m. until 11 a.m.

INSIGHT INTO EYESIGHT

Dr. R. A. Sona,
OPTOMETRIST

EYE COORDINATION

When your eyes are working the way they should, they're both looking directly at an object with the same intensity and precision. But if they're not, there may be a problem in the muscles of one or both eyes.

Each eye has six muscles that control movement and position. They must be in good working condition to give you proper eye coordination. If there's a weakness or defect in any one of these muscles, your eyes are not getting the help they need to see well.

This can cause problems. Your vision won't be as clear as it should be. You'll

probably be putting extra strain on the weak muscles to try to bring them into line. This can cause headaches, fatigue and some times double vision. It also affects your depth perception, your ability to judge the size of things seen at a distance.

To be in good health, you should be able to control all of your muscle movements, including the muscles of your eyes. If you've noticed any weakness in your vision, it's time to have an eye examination.

FIFTY YEARS AGO: March 10, 1932

James H. Murphy, president of Murphy Products Co., Burlington, told the Antioch Chamber of Commerce that the opportunities for development were greater in Antioch than in the average town.

George Wedge, 78, suffered head cuts when he fought with two unknown robbers who invaded his home at gun-point and escaped, emptying the safe of papers and a \$20 gold piece.

The race for Antioch Township Highway Commissioner was narrowed down to Incumbent Frank Dunn and Carl Barthel, with the withdrawal of Carl Anderson.

The A&P was advertising three rolls of gauze bathroom paper for 10 cents.

From spring-like weather a week ago, local fuel dealers were swamped with orders for coal because temperatures had suddenly fallen back to the zero mark.

THIRTY YEARS AGO: March 6, 1932

A blizzard causing three inch snowdrifts shut-down Antioch schools. Many motorists were stalled and delivery trucks could not get into town to deliver food and other supplies.

Inside work on the educational addition to the Methodist Church in Antioch continued.

Mayor James McMillen and the Antioch Village Board agreed to supply water to the homes in the new subdivision planned by Crown Realty only if the water could be spared, fearing the pumps would be inadequate for supplying much more than a few of the homes.

The Antioch Packing House was advertising standing rib roasts for 69 cents a pound and sirloin steak for 98 cents a pound.

TEN YEARS AGO: March 8, 1972

Thomas Santino fielded questions on the proposed 4,000 person unit development near the Antioch Country Club. There were predictions that the Antioch Village Board would offer Santino village annexation before he talked to county zoners.

A \$295,000 building referendum for the Grass Lake School was defeated by a narrow margin.

Antioch's VIP Rudy Eckert and his wife Florence returned from a sunny vacation in Florida.

Lloyd Pedersen, former Antioch resident, currently singing with Wayne King's Orchestra in Florida, announced plans to join a versatile musical group called the Lamplighters.

Lake County Clerk Grace Mary Stern began writing her column, "With A Stern Eye" for the Antioch News.

Milo Bailey, Larry Fears, Glen Moore and Michael Warren were seeking the two seats on the Antioch High School Board vacated by August Costoff and Robert Denman.

Birth

Meghan Maria Martini

A daughter, Meghan Maria, was born Feb. 20 at Lake Forest Hospital to Mr. and Mrs. Ronald Martini of Antioch. Paternal grandparents are Mr. and Mrs. G. Martini of Wood-dale.

Along the way with ANNIE MAE

Ex-Sequoia star, Dee Maras, though he was just on the basketball court for a few minutes in last week's game against Iowa, endeared himself to the hearts of the Illini fans by making two free throws in that short time.

I see where our well-known honor student, Teri Dyson, is due to be inducted into the Red Tassel Chapter of Mortar Board, the senior honor society at Illinois State University, Normal.

It would warm the cockles of old Annie Mae's heart if another honor student from that same university, Tommy Dixon, majoring in advertising and journalism, would return to the old home town after graduation and go to work for the Antioch News. With his brain, he would be a good addition to any newspaper!

Congrats to the Antioch students who were winners in the free throw contest, second round, district level.

The contest was sponsored by the Father Henderson Council 3800, Knights of Columbus, and was held at St. Joseph's gym, Round Lake, on Saturday, Feb. 27.

Carrie Fisher, 12, and Laura Heffernan, 14, topped the girls and Bill Letkey, 11, and Eric Reidi, 12, took the boys' honors.

They will be competing in the regionals at St. Norberts, Northbrook, on Saturday, March 13, at 1 p.m.

Good luck kids!

Looking forward to the Antioch High School Drama Department's production of "This Lady's Not For Burning," on March 18.

Another local event, one of my favorites, that I can't wait for is St. Peter's VIP Dance on March 20. I bought a gorgeous new puse pantsuit just for the occasion.

I'm anxious to see Gus Costoff, one of the nicest people I know, finally receive the honor that has been due him for years.

And, I love to watch he and his lovely "K" dance. They really cut a mean rug!

I saw a most unusual sight the other day when I dropped in to the new Pizza Plus on North Ave.

Imagine seeing Abraham Lincoln building a pizza and a darn good one at that.

When I think about it Nothing lasts forever but this is ridiculous

by GLORIA DAVIS

In 1932 Lottie Jones, Antioch postmistress, publicly congratulated the postal department on the air mail service's delivery of letters clear across the country, inside of 32 hours, all for the cost of a five cent stamp.

Since there is no domestic air mail service today, we can take a chance on mailing a letter special delivery for \$2.20 and hope it will get there in three days or express it for \$9.35 and it will arrive by 3 p.m. the next day.

One sent from Antioch to Twin Lakes, with a 20 cents stamp on it, might get there in four days, if it ever gets there, that is.

Isn't progress wonderful!

In 1935 a new Model A Ford sedan that sold for \$450 might have shown signs of rust inside of 20 years and sported a slight dent when backed into the side of a barn at 30 miles per hour. Most of its malfunctions could be cured with a screwdriver and a piece of bailing wire.

In 1982 most medium-sized and priced cars carry a window ticket in the area of \$9,000, will be spattered with rust inside of two years, can be dented when kicked by a 90 pound girl wearing gym-shoes and takes a specialized computerized diagnostic machine to reveal that the light in the glove compartment has shorted-out and is draining the battery.

Viva la progress!

Grandmother took several hours to turn-out those mouth-watering loaves of crusty golden brown home-baked bread. Today's bride can turn-out a tasteless golden brown loaf in just a few minutes more than it takes her to toss it from the freezer into the microwave and if she sets the dial just a few minutes more than called for, she can turn

out a golden brown rock right in her own kitchen.

Ain't progress grand!

Purchased for the astronomical price of \$50, the stark white frigidaire used to last just 20 years, doing only what it was designed to do, keep the food inside cold.

The newest vehicle of refrigeration, costing nearly \$1,000, is hardly distinguishable from the handsomely carved cabinets that surround it, fashionable enough for the nicest of living rooms.

It not only refrigerates but freezes, tem-perates, crisperates, spits-out instant ice water at the tap of a spigot or ice cubes at the tap of another one.

It even defrosts itself. These wonders of modern science might last five years if the owner is lucky and if extreme good luck runs in the family, the ice-maker and all the rest of this cooler's paraphanelia could even last a third of that time.

Progress is certainly a marvelous thing!

A salute to the furniture industry of the 1980s! All of yesterday's over-stuffed frieze pieces started to look a little worn in 30 years. Today's polyester-covered couch and love seat, given normal wear and tear, defined by Mr. Khroeler as being sat on by visitors once a month, will be presentable for almost three years or so or until they go out of style, whichever comes first.

"They" say that this planned obsolescence is what keeps our economic ball rolling, but now that that roll has turned into almost complete inertia, tell me why my two-year-old couch gasped its last a week ago when my 28 pound grandson jumped on it?

Women wheeling, dealing

The Antioch Woman's Club met on March 1, in the community room of the State Bank of Antioch.

The club welcomed three new members, Jean DeBoer, Dorothy Ware and Carol Maglia. After the business meeting, Gloria Trabert gave a program on the techniques of spinning and weaving and demonstrated how to spin yarn on a spinning wheel.

She displayed many of her creations, which were

modeled by two of the members. She also displayed some of her articles at "Image Gallery" in Northfield.

Trabert teaches in her home in Lake Forest and took a course on spinning at the Lake County Museum in Wauconda.

The hostesses were Delores Abderholden, Lee Knowlton, Barbara Kufalk, Irene Teresi, Louise Santino, Margaret Martin, Henrietta Albergo and Jan Ranney.

The next meeting will be in the community room of the State Bank of Antioch, on March 15, at 1 p.m. A board meeting will be held at noon.

The program will be a book review by Mrs. Arthur Sterrett. The club is in for a very pleasant afternoon.

The club's annual fund raising dessert-card party will be on March 24, in the community room of the State Bank of Antioch, at 12:30 p.m. The public is welcome.

ACHS Slates Symphony

Three young talented musicians will appear with the Waukegan Symphony Orchestra at the March 26 concert in Antioch High School.

Lawrence Golan, Donna Hladish, and Jeanette Ortiz are the winners of the Lake County Young Musician Competition.

The life of 15 year old Golan is filled with music. The sophomore at Highland Park High School is concertmaster of the school orchestra, a member of the Civic Orchestra of Chicago, and concertmaster of the North Suburban Community Symphony.

He has already won numerous awards including the 1981 Interlochen Performance Scholarship.

Donna Hladish of Waukegan is a high school senior. She has studied violin since age six with George Swigart at the Jack Benny Center For The Arts.

She is also a member of the first violin section of both the Waukegan Symphony Orchestra and the Chicago Youth Orchestra.

Hladish studied last summer at the Cincinnati Con-

servatory of Music as a winner of a competition sponsored by the American Federation of Musicians. She also won first place in last year's Lake County Young Musician

Jeanette Ortiz, a seventh grade student at Lake Forest Country Day School, has been studying piano since age four and for the past two years has also been studying the violin.

GOING TO A DENTAL SPECIALIST

Your family dentist is equipped to handle almost all of your dental needs. Once in a while, however, he may find it necessary to refer you to a dental specialist. Why?

A dentist is taught to treat all kinds of dental conditions, but some may require special expertise. A specialist has completed two to four extra years of training on one area of dentistry, and limits his practice to this one area. For this reason, he sees all kinds of special and complicated cases, and is best equipped to handle them.

Your dentist will discuss your treatment with the specialist, so that you don't arrive at his office as a stranger. When your dentist sends you to a specialist, it is because he wants you to get the finest treatment available.

Walsh chosen officer

New representatives and officers have been selected for the Inter-Society Council at Luther College for the 1982-83 academic year.

Representatives to the council are chosen from each of the six sororities on campus. Officers are then elected to direct the group.

New officers include president Kathy Walsh, junior, 41558 N. Lakeview Terrace, Antioch.

The Inter-Society Council sponsors activities throughout the year such as teas and picnics and fraternity-sorority pig roasts. The council also works closely with the Student Affairs Committee and the Status of Women Committee at Luther.

Make home ec award

Lake County Home Economics Assn. has awarded Tami Suzanne Dyson of Antioch with a scholarship for this year. Tami is a junior in Dietetics at Illinois State University in Normal, Ill. and has worked at St. Therese Hospital in Waukegan as a diet technician. She has been ac-

tive in various activities outside of school including president of Stablesmates 4-H Club and International Buckskin Horse Assn. Queen. The association awards a college student in home economics with a scholarship each year. For more information call (312) 949-1054.

AN OPEN LETTER TO THE CITIZENS OF THE 62nd DISTRICT

James A. Olson, candidate for state representative in this district, has lived, worked and participated in many civic functions in Antioch Township. He is qualified, dedicated and trusted. He has spent the last 35 years working hard at all of the above. He has sold his business and his family is grown. This puts him in a unique position, he is able to give full time to this important office (his two opponents will share it with their law practice). Jim will accept this office without asking for a salary increase or benefits. Jim believes inflation can best be stopped if elected officials set an example and live within the salaries provided.

P.S. If Antioch wants the honor of this important office it behooves all of us to get out and support Jim.

St. Ignatius to celebrate Days of Reflection

The Rev. Father Theron E. Hughes of St. Andrews Episcopal Church, Kenosha, Wis., will be the spiritual director for the fourth annual Days of Reflection to be held at St. Ignatius Episcopal Church, Antioch, on March 13 and 14.

He is a graduate of Nashotah Seminary and has served in many alumni capacities there. He is currently the head of the Society of St. Mary and active in the Order of the Holy Cross.

Fr. Hughes will offer a

series of meditations on "Life With Christ," interspersed with quiet times for spiritual reading, private meditation, and prayers. He will also be available for those who wish to make their confession or seek spiritual counseling.

The opening address will be given at 1:30 p.m., on Saturday, and the day will conclude with Mass and Benediction at 7 p.m. Dinner will be brought in at 5:30 p.m. for those who stay for the day.

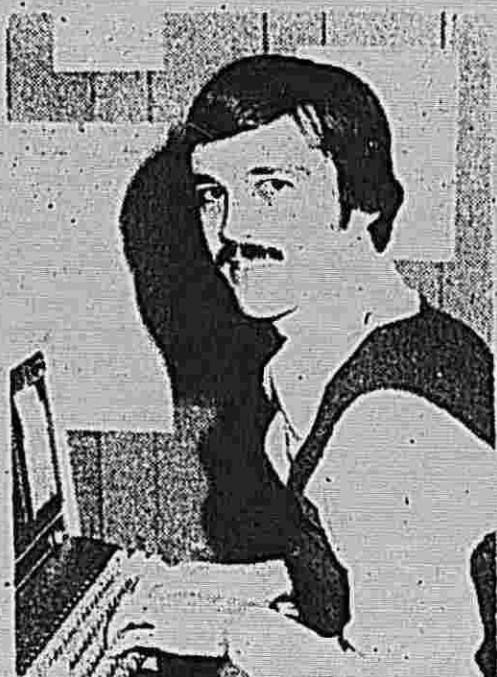

Fr. Hughes will be the

celebrant on Sunday. Homilies at both the Low Mass at 8 a.m. and the Choral Eucharist at 9:30 a.m. will summarize and further expand the "Life With Christ" theme.

The final address at 1:30 p.m. will be followed by a

question and answer period and evening prayer at 2:30 p.m.

Interested persons are invited to attend all or any part of this Lenten Series. Each unit will provide rich material for spiritual growth.

Ron Griesheimer's **REPORT**

Could You Save \$18,000,000 For Illinois?

Governor Thompson signs one of Ron's money saving bills.

Ron, a proven Legislative Leader for Wildlife

No legislature has done more for Illinois' Conservation and Wildlife programs than Ron Griesheimer. He handled all of the major conservation bills from 1976 to 1980. He knows how to work with the Department of Conservation to obtain important benefits for our legislative district.

Ron was the sponsor of the bill to update and reclassify all of our State Parks. This bill was strongly supported by the Department of Conservation. Ron was the sponsor of the improved hunting and fishing laws in the State of Illinois protecting the license fee in the Fish and Game Fund which will benefit, and only benefit, the fishermen and hunters in our State. Ron sponsored the Boat Titling Bill which for the first time in our State protects the ownership interest of boaters in their boats, just as has been done for years in other states. Ron was the sponsor of the Waukegan Harbor Expansion Bill which will vastly increase the recreational facilities at the Lake Michigan Lakefront in Waukegan. He has worked closely with Salmon Unlimited and Ducks Unlimited.

"I look upon the opportunity of representing the Chain of Lakes area as a personal challenge to clean up the chain, improve it's wildlife and fishing habitat and make it a better place for all of the residents of our beautiful lakes area to live in. I promise the people of the Chain of Lakes area to use all of my experience in Conservation and Wildlife matters in the State Capital to work to improve the Chain of Lakes and to reestablish it as the finest recreational and wildlife area in the State," Ron stated.

Ron's record is unsurpassed in Springfield in Conservation matters and has been recognized by the leading State Conservation Organization, The ILLINOIS WILDLIFE FEDERATION. He received their bi-annual award as the Outstanding Legislator in Conservation on two occasions. When last the award was presented to him at the Illinois Wildlife Federation Convention in Decatur, The President of the Association stated, "As a known and respected leader in all areas of Conservation you indeed support the policies and programs that best serve the State."

Ron Did-and Then Some!

You can't beat EXPERIENCE in any job. Ron has that experience in the State Legislature. Eight years of experience, and it pays off in a big way. Ron believes there should be less government, smaller government, lower taxes, and more efficient government. He has a record proving that he believes in just this type of legislative work. For instance, Ron was the sponsor of the multi-year license bill which is now law in Illinois. While it's a lot more convenient for all of us since we don't have to screw on new license plates every January or February during the cold and icy winter weather, to Ron, of even greater importance, is that his bill adopting the multi-year license plates for the State of Illinois saves the State about \$18 million dollars per year. The savings are in postage and in the cost of printing up new metallic license plates. This additional money goes into the road fund to maintain our roads that are in such bad condition. This also means that new tax dollars are not necessary for this purpose. Ron opposes all forms of new taxation unless we, the voters, have a right to vote on this first.

Did you know that Ron was one of the consistently low spenders in Springfield? The ILLINOIS CONSERVATIVE UNION honored Ron as one of the outstanding legislatures on two occasions while he served in the Illinois House. They said his record was distinguished as a low spender. Ron says, "The only way to make government smaller is to spend less money. This ultimately results in our tax bills going down. This is what I work for."

Be Sure to Vote March 16th

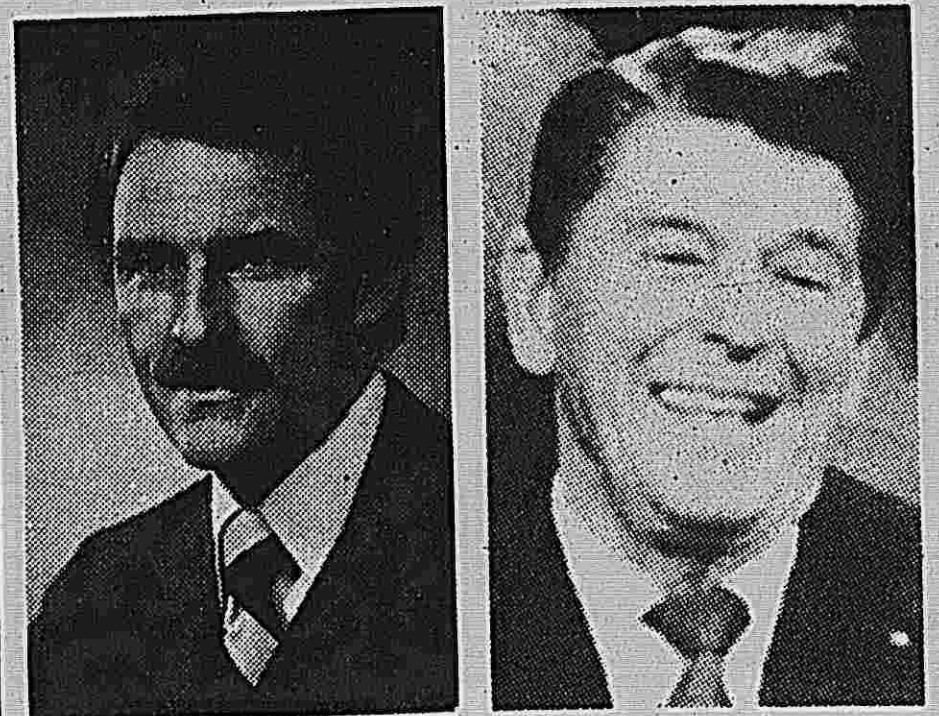

Jim Helfrich, deputy director of the Illinois Dept. of Conservation, makes presentation to Ron for his sponsorship of the 1st Fish Hatchery legislation in 50 years.

Ron and Chris at home Out of doors

Ron and Chris Griesheimer live in rural Wadsworth a few miles west of the Village on Mill Creek Road. They carry their interest in Wildlife and Conservation right down to their own home. Ron dedicated the majority of his property to the "ILLINOIS ACRES FOR WILDLIFE PROGRAM".

"Chris and I really enjoy the out of doors and spend a good deal of time enjoying nature, walking in the woods in the surrounding areas, and gardening. Truly, Lake County is one of the most beautiful counties in our State and has to be seen to be appreciated. I wish to see our natural areas preserved for future generations to enjoy," Ron stated.

Ron's children, Amy, 18, and David, 14, by a prior marriage, enjoy the fun and recreation of Ron's wildlife interests and sporting interests. Amy attends Western Illinois University and David attends Waukegan West High School.

Ron is a native Illinoisian having been raised in DuPage County. He attended the University of Illinois and then went on to law school at Southern Methodist University Law School. While some candidates running for public office have a record of having avoided the draft, Ron volunteered for three years in the Air Force during the Viet Nam crisis. Even after serving his three years of active duty he stayed in the Reserves for an additional fourteen years. Ron is a licensed attorney in Texas and the State of Illinois and is also licensed to practice law before the United States Supreme Court. He has twenty years experience as an attorney. He maintains his law office across the street from the Court House in Waukegan. He and his wife, Chris, own the Aamco Transmission franchise in Waukegan which is run and managed by Chris.

The Business Community Believes in Ron

The heart of Illinois Business is the small businessman. Matter of fact Ron is a small businessman and therefore understands the problems of small business. The ILLINOIS SMALL BUSINESS MEN'S ASSOCIATION has again endorsed Ron for election to the House of Representatives. They have previously endorsed him on all four of the previous elections when he was a candidate.

Ron has a record that is good for business. The ILLINOIS STATE CHAMBER OF COMMERCE

stated, "Among all legislators you (Ron) have been in the forefront ... to improve the State's business climate." Ron understands the meaning and effect of unemployment compensation rates and workman's compensation rates which are too high for business to pay. He understands the meaning of excessive interest rates. He understands that there has been too much governmental regulation of business. He has worked to change these things in our State. Ron believes that to be successful free enterprise has to be reestablished in our State; that means getting big government off the backs of business.

Ron and Chris at home Out of doors

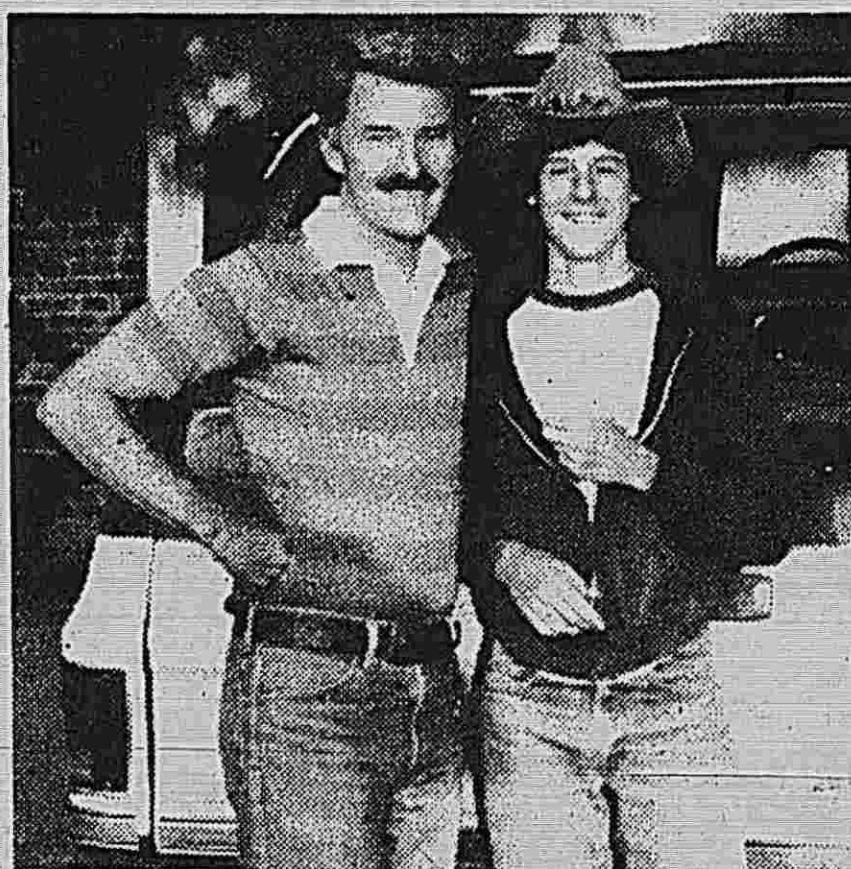

Ron and Chris Griesheimer live in rural Wadsworth a few miles west of the Village on Mill Creek Road. They carry their interest in Wildlife and Conservation right down to their own home. Ron dedicated the majority of his property to the "ILLINOIS ACRES FOR WILDLIFE PROGRAM".

"Chris and I really enjoy the out of doors and spend a good deal of time enjoying nature, walking in the woods in the surrounding areas, and gardening. Truly, Lake County is one of the most beautiful counties in our State and has to be seen to be appreciated. I wish to see our natural areas preserved for future generations to enjoy," Ron stated.

Ron's children, Amy, 18, and David, 14, by a prior marriage, enjoy the fun and recreation of Ron's wildlife interests and sporting interests. Amy attends Western Illinois University and David attends Waukegan West High School.

Ron is a native Illinoisan having been raised in DuPage County. He attended the University of Illinois and then went on to law school at Southern Methodist University Law School. While some candidates running for public office have a record of having avoided the draft, Ron volunteered for three years in the Air Force during the Viet Nam crisis. Even after serving his three years of active duty he stayed in the Reserves for an additional fourteen years. Ron is a licensed attorney in Texas and the State of Illinois and is also licensed to practice law before the United States Supreme Court. He has twenty years experience as an attorney. He maintains his law office across the street from the Court House in Waukegan. He and his wife, Chris, own the Aamco Transmission franchise in Waukegan which is run and managed by Chris.

The Business Community Believes in Ron

The heart of Illinois Business is the small businessman. Matter of fact Ron is a small businessman and therefore understands the problems of small business. The ILLINOIS SMALL BUSINESS MEN'S ASSOCIATION has again endorsed Ron for election to the House of Representatives. They have previously endorsed him on all four of the previous elections when he was a candidate.

Ron has a record that is good for business. The ILLINOIS STATE CHAMBER OF COMMERCE

stated, "Among all legislators you (Ron) have been in the forefront ... to improve the State's business climate." Ron understands the meaning and effect of unemployment compensation rates and workman's compensation rates which are too high for business to pay. He understands the meaning of excessive interest rates. He understands that there has been too much governmental regulation of business. He has worked to change these things in our State. Ron believes that to be successful free enterprise has to be reestablished in our State; that means getting big government off the backs of business.

NAIM Club to meet

The March meeting of the NAIM Club of Lake County Widows and Widowers will be held at Our Lady of Humility Church, Wadsworth Road, Zion, on Sunday, March 14.

Members and guests will meet at 2 p.m. in the Hayes Community Room for a social hour. Plans will be made for the new season's activities. All widows and widowers are invited.

ACHS drama class plans Fry's 'Burning'

"The Lady's Not For Burning," a comedy by Christopher Fry, set in an era of black magic and witch burning, will be the spring production of the drama division of the Fine Arts Department at Antioch Community High School.

The play is scheduled for March 18, 19 and 20, at 8 p.m. in the high school auditorium.

Directed by Drama Instructor Ken Smouse, the cast list in order of appearance is: Mark Miller, Joe Apostol, Dawn Hansen, Roger Knowlton, Barrett June Schugart, Henry Alexander Apostol, Andrew Biel,

Susan Butler, Earl Ballenger, Chris Waters, Erik Hansen and Edward Wells.

Reserved seats to the production may be obtained in the high school commons between the hours of 10:15 a.m. and 1:15 p.m., or from members of the cast, members of the Studio Theatre Class.

The ticket price is \$2.50 for adults and \$1.50 for students. All passes will be honored, but advance tickets should be obtained to guarantee the best seating possible.

Tickets, of course, will be available at the door on the nights of performance.

FINE ARTS PLAY — Rehearsing scene from Antioch High School Drama Dept.'s play, "The Lady's Not For Burning," are, left, Dawn Hansen, as Alison and Roger Knowlton, as Nicholas.

Country fashions on Emmon's agenda

The "Star Spangled Banner," although written in 1814, did not become the national anthem until 1931.

"A Night in the Country" will be presented by the Emmons PTO as their annual spring fund raiser. This fun packed evening will take place on April 17, at the Antioch VFW. A casual buffet, a unique fashion presentation, prizes and dancing to

"Rosewood" will fill the evening.

The participating clothing stores are: B.J.'s Mens Fashions, Barnstables, Gibbs and Jenssen's Carousel, The Globe and Jack's Four Squires.

Plan to come on out and

enjoy an evening in beautiful Antioch country.

The fun begins at 6 p.m. with the buffet served at 7:30 p.m.

Tickets are \$9 each and may be purchased at the participating stores and all Antioch banking institutions.

The man who kept his word is keeping Lake County safer. Re-elect Tom Brown Lake County Sheriff.

What he said: What he did:

He'd wage war on drugs.

He'd fight the dangerous rise in burglaries.

He'd improve highway safety and crack down on drunk drivers.

He'd stop the accelerating rate of auto thefts.

He'd fight vandalism.

He'd put arsonists in jail.

Increased narcotics arrests 28% over preceding administration. Drug seizures up an astounding 350%.

He did just that. Burglary arrests numbered over 425 in his first three years. Value of property returned to owners exceeded \$1.5 million.

Traffic citations, including drunk driving violations increased 1300% over the preceding three year period.

Motor vehicle thefts decreased a dramatic 18% in unincorporated Lake County.

Vandalism arrests increased 138% over prior administration's record.

Arson arrests up 450% on year to year comparison vs. preceding sheriff.

What Tom Brown promises, Tom Brown delivers. Since this law enforcement professional took over the job of sheriff back in 1978, State of Illinois records show that the crime rate in unincorporated Lake County has decreased a remarkable 22.2%. Despite a 32% increase in population.

Thanks to Tom Brown's leadership, you're safer in your home, on the street, wherever you may be in Lake County.

And it shouldn't surprise anyone that Tom Brown is no machine puppet. "Machine politicians work for the machine. I work for all the people in Lake County." Tom Brown not only says it, he delivers it by devoting his whole professional career to bringing top quality law enforcement to every Lake County resident.

Sheriff Brown is doing a lot to keep Lake County safer. So can you. Re-elect Sheriff Tom Brown in 1982.

It takes law enforcement education to do the job right. Tom Brown has what it takes.

- Narcotics and Dangerous Drugs Investigation—University of Illinois
- Laws of Arrest, Search and Seizure, Motor Vehicle Theft—University of Illinois
- Criminal Procedures—Chicago Kent College
- Police Community Relations, Advanced Criminal Investigation—University of Illinois
- Tom Brown has graduated from a total of 23 Law Enforcement Schools

It takes law enforcement experience to do the job right. Tom Brown has what it takes.

- 1966—Assigned to Highway Patrol
- 1969—Promoted to Sergeant
- 1970—Promoted to Chief Investigator in charge of 10 man division.
- 1971—Promoted to head of the Narcotics Division
- 1973—Promoted to head the Investigation Division
- 1977—Promoted to Lieutenant and assigned to Watch Commander of the Uniform Division
- 1978—Elected Sheriff

Sequoits end in fine form

by GLORIA DAVIS

The Sequoit cagers played the last game of the 1981-82 season against the Northwest Suburban Conference Champion Grant Bulldogs, at the regionals, which Antioch hosted, on Wednesday, March 3.

The Bulldogs barely edged the Sequoits, 52-50, knocking them out of the rest of the regional play.

"The kids gave everything they had but we just didn't get the break we needed near the end when Grant took that time out," said Coach Roger Andrews.

With 28 seconds left in the game, Antioch scored, making it 49-48. Their bad break came when they succeeded in inbounding the ball three times (Sequoits had counted four) when Grant called a time out.

Grant successfully inbounded, was fouled and hit a free throw, making the score 50-48.

Mike Gofran scored, tying the whole thing up, but Grant's long shot at the buzzer decided the game.

Bob Gatti played an outstanding game, scoring 19 points, pulling-down 11 rebounds, shooting 7-9 from the field and 5-6 from the line. Gofran followed with 11 points.

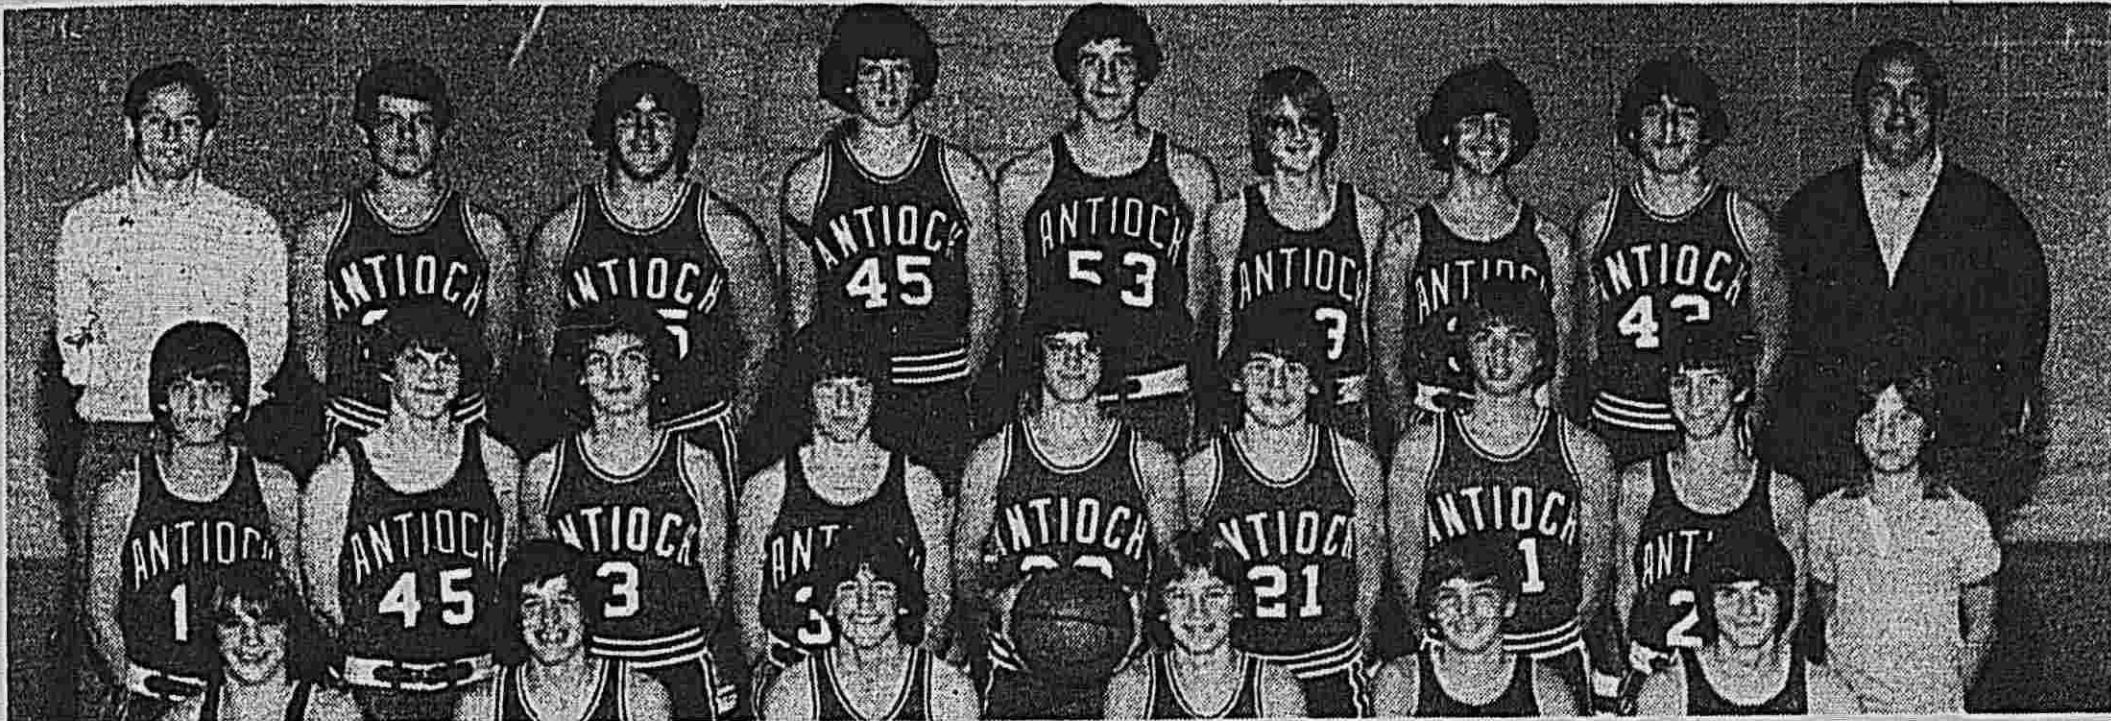

The Sequoits finished the season with an 11-15 overall record. About that record, Andrews said, "Of those 15 losses, 11 of those were close games where we lost by five points or less."

Andrews added that this was a statement to the competitiveness of this year's Sequoits.

Gofran was chosen most valuable player. Steve Sheedlo was elected honorary captain, Chris Becker the most improved and Gatti made the all conference team.

Andrews has high hopes for next year's season saying, "We'll have three returning lettermen, two outside and one inside man, that's a good start."

He added that the up-coming sophomore cagers showed a lot of promise.

FROSH CAGERS — Row 1, from left, Mike Drozek, Dave Appelhans, Tom Winkler, Joe Keim, Lonnie Grote, Chris Bartlett; Row 2, Mike Connoy, Ron Dewar, Bill Kaht, Bob Heath, Tony Gebauer, Chris Tew, Jeff Johnson, Brad Poulter, Erik

Hansen; Row 3, Coach Bruce Tossey, Chris Zeien, Don Chisholm, Dave Hart, Jim Bischoff, Scott Stowers, Ken Klean, Doug Roman, Coach Norm Hahn.

Frosh take conference, B Team's record good

Antioch's freshmen basketball team completed the 1981-82 season in first place in conference standings with a record of 13 wins and one loss.

Overall, the team had a record of 16-5 and during the season had a 13 game win streak. Coach Bruce Tossey's "B" team ended up with a fine 13-3 record.

Coach Norm Hahn had high praise for his charges. "This was a very enjoyable season. The team made a lot of progress during the year and has the potential to become a great varsity group."

Coach Hahn noted the

team's strengths as "shooting, rebounding, and tough, changing defenses".

The frosh Sequoits were a hot shooting group averaging an excellent 49 percent on their field goal attempts.

In the rebound department, Antioch averaged 31 rebounds a game to only 20 for opponents.

In points Antioch averaged 48 points per game and opponents only 36. Conference totals in points were 51 per game and only 33 for opponents.

Individual leaders for the team were: points, Jeff Johnson, 257; Dave Hart,

221; Joe Keim, 191; rebounds, Johnson, 171; Hart, 159; Chris Zeien, '93; field goal percentage; Zeien, 58 percent; Johnson, 53 percent; Hart, 52 percent; free throw percentage; Keim, 69 percent; Bill Kaht, 63 percent; Johnson, 60 percent; assists; Kaht, 83; Johnson, 55; Keim, 49.

Other members of the "A" team were Chris Tew, Dave Appelhans, Doug Roman, Tony Gebauer, and Brad Poulter.

"B" team members were Chris Bartlett, Thadd Ernstmeyer, Mike Connoy, Mike Drozek, Ken Klean, Lonnie Grote, Bob Heath and Ron Dewar.

BOARD TO MEET

There will be a joint meeting of the finance and negotiations committees of the Board of Education of Antioch Community Consolidated School District 34, on Tuesday, March 9, beginning at 7:30 p.m., in the board room of the W.C. Petty School.

FUND SCHOOLS

Gov. James R. Thompson announced that he will recommend levels of funding in fiscal 1983 of \$1.21 billion for higher education and \$2.55 billion for elementary and secondary education.

- Lake Villa Township Republicans
- Chicago Sun-Times

"Former Rep. Ronald Griesheimer, the fellow who likes to put on a funny hat, march down the aisle of the House and declare war on Chicago or Wisconsin, is attempting a comeback. Voters in this district should spare themselves (and the rest of the state) this embarrassment by nominating attorney Robert W. Churchill of Lake Villa, a moderate Republican with a strong party backing."

- Chicago Tribune

"We prefer attorney Robert Churchill, a thoughtful mainstream Republican, to the other contenders — former Rep. Ronald Griesheimer, whose legislative career was loud but not particularly productive, and James A. Olson."

ROBERT W. CHURCHILL
with SENATOR ADELINE GEO-KARIS
and STATE'S ATTORNEY FRED FOREMAN

Issue Oriented

Salaries for Elected Officials
